March 1, 2007

SUMMARY OF BILL: Requires the County Fire Chief in Shelby County to be appointed by the mayor, subject to confirmation by the county legislative body. The mayor and legislative body would be required to give full consideration to the views and opinions of all participating governmental entities in the selection of the chief. The methodology for such consideration would be adopted by local ordinance.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Expenditures – Not Significant

Assumptions:

- Current law provides that County Mayors appoint Fire Chiefs subject to confirmation by the county legislative body. Therefore the only change from current law is the provision that requires consideration of the views and opinions of all participating governmental entities.
